

Dear Team Members,

Another race day = Another success story for our program.

First off, I would like to thank our coaching staff for their outstanding commitment. For the majority of our Coaching Staff, coaching is a part-time position with a full-time passion. Our recent success is directly related to the effective coaching, athlete motivation, and our training environment. Having the support from both Snowbasin and Wolf Mountain has been a key factor in our recent success.

This weekend, we had 11 of 15 athletes whom qualified to the Divisional Championships compete at Snowbird. Saturday's GS races resulted with 2 Gold Medals for Snowbasin: Destrey Enders (J4 Girls) and Dylan Sondrup (J5 Boys). In addition, we had 3 more medal winners with Erin Almony (4th J5 Girls), Brain Davidson (4th J5 Boys), and Jake Sawyer (5th J5 Boys).

On Sunday, we had Eric Anderson (2nd J5 Boys), Jake Sawyer (3rd J5 Boys), Dylan Sondrup (5th J5 Boys) and Destrey Enders (5th J4 Girls). Dylan Sondrup was able to collect the J5 Men's Overall for the weekend!

The medal count was as follows:

Park City = 11

Snowbasin = 9

Snowbird = 6

Sun Valley = 5

McCall = 3

Bogus Basin = 2

Hailey = 1

Jackson Hole = 1

Rowmark = 1

Independent = 1

Summit County = 0

Pebble Creek = 0

Kelly Canyon = 0

Brighton = 0

Please share your support with these athletes and express my appreciation to everyone involved with this great program. This is a team effort and we should celebrate as a team.

See you at Brianhead for the Youth Champs this weekend and/or at Snowbasin for the State Championships on March 31 and April 1.
